

To Our Valued Customers:

I wanted to reach out given the recent developments in New York State.

You may have read or heard the announcement that New York has ordered all businesses that are not Essential to close immediately. Fortunately, warehouse/ distribution and fulfillment to essential manufacturing is exempt and our location will continue operating, albeit with a drastically reduced staff.

Our objective is to be able to continue to deliver our products in the safe and timely manner you have come to expect from Temper Corporation. We previously outlined steps we've taken to ensure the safety of our employees and customers. We are in constant communication with our key supply partners and their management teams to remain up-to-date on their ability to continue to supply materials.

As we manage through this unpredictable and unprecedented situation together, the leadership team at Temper Corporation would like to thank you for your support and trust.

As always, please feel free to contact us with any questions or concerns.

Thank you,
Cynthia DeKuiper
President & CEO
